Report from Councillor John Ward

Broadland District Council

All members have now been issued with Apple I-Pads which helps the Council's efficiency agenda by reducing the costs associated with print, production and postage of Council papers.

A successful launch event was held at The Forum for "Apprenticeships for Broadland" which, together with partners, offers apprenticeships in Business Administration, Customer Service, Team Leading, Retail, Warehousing, Equestrian, Hairdressing, Dentistry, Health & Social Care and Construction.

500 free smoke alarms, supplied by the Government, are available to residential landlords in Broadland and can be claimed at Thorpe Lodge. (Landlords of houses in multiple occupancy cannot apply).

Norfolk County Council

This year's Norfolk Takeover Day is on Friday 20th November; this is when young people get the chance to work with adults for the day, at places such as the EDP, NPS, Norse, County Hall, Police & Crime Commissioners office and Chloe Smith's office. Local businesses in Sprowston and Thorpe St. Andrew are also expected to take part.

The £2.5m changes to Norwich City Centre involving Farmers Ave, Golden Ball St., All Saints Green, Westlegate, St Stephens Plain and Red Lion St. were out for consultation this summer and are on course for work to start early next year.

Sprowston Infants School Ofsted Inspection Report 9-10 July has just been published. The overall rating is GOOD with Good in all categories (The previous report was also GOOD)

TOWN COUNCIL : 5th October 2015

Report on Relocation of the Town Council Office

Agenda Item: 128

Reason for this Report

This report has been written to inform the Town Council on the proposals for the Town Council Office relocation.

Background

The Town Council has approved the exploration of cost for the Town Council office to be moved to the Fitzmaurice Pavilion.

Result

A plan and cost schedule has been produced by the building surveyor to allow for quotes to be collected (Attached). Further items will be considered including CCTV, external maintenance and improvement and associated works.

Advice

The Town Council is asked to look at the plan and cost schedule. It is requested that permission is given for signage and fencing to the front of the building to be included in any planning application. The Town Council is asked to give permission for quotes and a planning application to be submitted in due course.

Legal Implications

All decisions and actions taken by or on behalf of Thorpe St Andrew Town Council must (1) be within the local powers of the Authority; (2) comply with any procedural requirement imposed by law; (3) be within the powers of the body or person exercising powers on behalf of the Authority; (4) be undertaken in accordance with the Authority procedural rules inc. Standing Orders and Financial Regulations; (5) be fully and properly informed; (6) be properly motivated; (7) be taken with regard to the fiduciary duty of the Authority to its residents; and (8) be reasonable and proper.

Financial Implications

There are no significant financial implications arising from this report.

TOWN COUNCIL : 5th October 2015

Report on the Ferry to Whitlingham

Agenda Item: 129

Reason for this Report

This report provides an information update on the funding given to the Thorpe Ferry Company for the ferry to Whitlingham project.

Background

At the Finance and Staff Committee Meeting of October 2015 it was resolved to donate £5,000 under s.137 of the LGA 1972 to the Thorpe Ferry Company for the ferry to Whitlingham on the surety that the ferry would be operational from April 2015. To date, the Ferry has not been operational. The reasons given for this were delays on opening a right of way through neighbouring property. However due to the lack of consistency in discussions, lack of communication and failure to return the grant when requested, the Finance and Staff Committee resolved to file papers with the civil court to retrieve these funds.

Result

Legal action is currently being pursued against the Thorpe Ferry Company.

Advice

There is no advice with this item.

Legal Implications

All decisions and actions taken by or on behalf of Thorpe St Andrew Town Council must (1) be within the local powers of the Authority; (2) comply with any procedural requirement imposed by law; (3) be within the powers of the body or person exercising powers on behalf of the Authority; (4) be undertaken in accordance with the Authority procedural rules inc. Standing Orders and Financial Regulations; (5) be fully and properly informed; (6) be properly motivated; (7) be taken with regard to the fiduciary duty of the Authority to its residents; and (8) be reasonable and proper.

Financial Implications

There are no direct financial implications arising from this report.

Thorpe St Andrew Town Council

TOWN COUNCIL : 5th October 2015

Report on Proposed Location for Bus Shelter

Agenda Item: 130

Reason for this Report

This report has been written to suggest a possible location for a new bus shelter.

Background

Following representations from a number of workers on the St Andrew Business Park, a request has been received for a bus shelter. Currently there is a bus shelter on one side of the road, but on the other it remains unprotected. The bus shelter, it is suggested, would give a barrier to the elements and to the busy road.

Result

The Town Council is asked to consider whether to install a new bus shelter at this location.

Advice

The Council are asked to decide whether this would be a regularly used bus shelter by the rate payers of Thorpe St Andrew. If not, there is scope to undertake maintenance on the bus shelter, but request the companies based on the Business Park contribute to the initial cost of the bus shelter. Current costs for the purchasing and installation of a new bus shelter is £3,500 to £4,500. It should also be noted that the Town Council installed three bus shelters in the previous financial year, so significant funds have already been attributed to this provision.

Legal Implications

All decisions and actions taken by or on behalf of Thorpe St Andrew Town Council must (1) be within the local powers of the Authority; (2) comply with any procedural requirement imposed by law; (3) be within the powers of the body or person exercising powers on behalf of the Authority; (4) be undertaken in accordance with the Authority procedural rules inc. Standing Orders and Financial Regulations; (5) be fully and properly informed; (6) be properly motivated; (7) be taken with regard to the fiduciary duty of the Authority to its residents; and (8) be reasonable and proper.

Financial Implications

There are financial implications arising from this report.

TOWN COUNCIL : 5th October 2015

Report on Proposed Changes to Fitzmaurice Pavilion

Agenda Item: 131

Reason for this Report

This report has been written to inform the Town Council on proposals made by the Thorpe Pavilion Nursery

Background

Following a meeting with the new manager of the Thorpe Pavilion Nursery, a number of suggestions have been put forward to change the layout and appearance of the Fitzmaurice Pavilion.

Result

There have been two key proposals from the Thorpe Pavilion Nursery:

1. A permanently mounted advertising sign to the front of the building, on the right hand side of the main shutters. Currently a banner is mounted to the railings outside the main door with the details of the Pavilion. The Nursery feel that this is a reasonable request as they hire the hall for 35 hours per week. The proposed location is Appendix A and the current banner is Appendix B.
2. Remove the Town council tables and chairs from the storage cupboard and turn the cupboard into a children's toilet. The Nursery manager expressed concern with the current toilets and sinks, with staff not always being available to monitor the children. The toilets would act as a Nursery storage cupboard after hours. The toilets would be available for children at events and other users, if notice were given to the Nursery in advance. This would be paid for by the Pavilion Nursery through grant funding.

Advice

The advice for this item is offered with reference to each request:

1. The Town Council may decide that a permanent Nursery sign is a reasonable request and planning permission may need to be sought. With the Town Council office move, it could be argued that this sign may be confusing, with the nursery hall also being the location of the Town Council meetings. In addition, if fencing is installed at the front of the building it may block the signage and limit its impact. It could be suggested that a new banner is ordered and that this is displayed on the railings or fencing while the Nursery is using the building-as is current practice.
2. The current facilities have lowered sinks for use by children and have been used with no incident to date. The main hall is not large, so storage of tables and chairs would further limit the space. The Town Council are reminded that the proposed space for the toilet is next to what will be the main Town Council chamber.

Legal Implications

All decisions and actions taken by or on behalf of Thorpe St Andrew Town Council must (1) be within the local powers of the Authority; (2) comply with any procedural requirement imposed by law; (3) be within the powers of the body or person exercising powers on behalf of the Authority; (4) be undertaken in accordance with the Authority procedural rules inc. Standing Orders and Financial

Regulations; (5) be fully and properly informed; (6) be properly motivated; (7) be taken with regard to the fiduciary duty of the Authority to its residents; and (8) be reasonable and proper.

Financial Implications

There are no financial implications arising from this report.
