Yarmouth Road Bus Route Improvements

As part of our continued efforts to enhance public transport infrastructure, The final phase of the improvement works on Yarmouth Road will commence as scheduled on Monday, 11 August 2025 and are expected to continue until Friday, 22 August 2025, subject to any unforeseen circumstances.

This phase involves resurfacing works along Yarmouth Road and Pound Lane. The closure of the Pound Lane Mini Roundabout will remain in effect throughout this period, as previously advertised. Signed diversions during this period will continue to be via the A47 and Broadland Northway but there will be some additional parking restrictions for short periods to allow the surfacing to take place.

Full details provided below. Access to properties will be maintained throughout the works but there may be delays at times while operatives make the site safe for access.

Parking Restrictions

To facilitate the resurfacing works, the following parking restrictions will be in place:

Yarmouth Road: No parking from the Pound Lane Mini Roundabout to 75 metres west of the junction with Bungalow Lane, from Monday 11 August to Thursday 14 August 2025.

Pound Lane: No parking from the mini roundabout to the junction with the ring road, from Monday 11 August to Thursday 14 August 2025.

Alternative parking will be available on the opposite side of the road, adjacent to Sainsbury's supermarket.

We appreciate your patience and cooperation as we carry out these vital improvements.

For further information

This work will be carried out by Norfolk County Council's Infrastructure Department and its contractors.
